

# 420 HempFest

RADION, AMSTERDAM 19 APRIL 2020

## OFFICIAL PRESS RELEASE

28 JAN 2020, AMSTERDAM

### Let's celebrate the 2nd annual 420 Fest together!

Your favourite 420 festival is rapidly evolving. Because of you, 420 Fest has grown and is more inclusive. This is *your* event. This is Amsterdam's event and the communities.

April is time for your 420 Fest and because of your amazing support and attendance over the last 3 years, we've culminating in the amazing festival we hosted at Noorderlicht cafe last year. Great weather, amazing exhibitors and of course the one thing that made it all possible. YOU!

**This April 2020 in Amsterdam, its 420 everyday.**

We celebrate this once-in-a-lifetime event with an exclusive **420 HempFest** on **19 April 2020** from **12-18:00** at **RADION** in Amsterdam.

We are consciously redefining what 'Cannabis / Hemp' means to the general public and the world with this April's festivities. *We will activate Amsterdam for an entire month* with events, community meet-ups, workshops, talks & more.

It is free to attend. We want to provide something for everyone to see the amazing world of Hemp and beyond. A diverse offering of Hemp related businesses selling their wares and struting their stuff will be available at the event. We will showcase Hemp within these 10 themes :

Health

Beauty

Creation

Science

Wearables

Entertainment

Food

Nature

Community

Useable

RADION boasts two club rooms: a café / restaurant and exhibition space, along with a large terrace to set up 'The Largest Dutch Cannabis Exhibition'.

**420 HempFest** will combine a huge hemp market, live music, interactive cultural workshops, give-aways, a bustling community network & more. The event is free to the public to celebrate cannabis together with us.
